ABOUT THE RAFFLES...

Proceeds from raffle sales will benefit local charities. Tickets are \$1 each or 15 for \$10. You can pay with cash, Venmo, or credit card at the table outside the room where tickets are collected. Each participant will receive a unique number upon purchase, which will be assigned to all your purchased tickets. Please deposit your tickets in one or more of the designated raffle bags. For 50/50 raffles, volunteers will be coming around to sell those tickets directly.

For faster prize delivery, we recommend keeping your unique number slip handy. Winners will be drawn after the comedy performance. When a winning number is called, the participant with the matching number should come forward to claim their prize. If you are unable to come forward, we will bring the prize to you.
